ct, No. 1 tions as of

Updated 4/18/2011

	of the CHIPS (Carpentry Program) due to the fact that there will be no new houses built
	conomy, the students would have only been rehabbing current property. We will feel
get a quality	experience working with members of our KUSD Facilities staff on projects without the
by Long Ran	age Facilities Planning Committee due to site and building constraints
	ninates duplicated staffing and increases instructional time
ilt of the redu	uced per pupil revenue amount that Charter schools receive from the District
iliminate KU	SD paying the \$89 fee for each student that takes an AP exam. Parents will be
89 fee for ea	ach AP test they wish their students to take.
