## INFORMATION SHEET FOR MIDDLE SCHOOL PARENTS

### Using Tell Me More at Home

Middle school students have the wonderful opportunity to participate in additional, independent language instruction through Tell Me More. Tell Me More is an adaptive, Internet-based language program that personalizes learning. The program provides students with exposure to a selected culture and language.

Students will have access to Tell Me More whenever they connect to the Internet. Headsets with microphones can be checked out from the school library. In order to have your child access the program independently, please use the following directions:

1. Log in to: <http://www.tellmoreeducation.com/>.
2. Enter student ID number for the user name.
3. Enter the student ID number for the password.
4. Click on *sign in*.
5. Begin learning language.

A screenshot of the Tell Me More website login page. The page has a dark blue header with the 'TELL ME MORE' logo. Below the header is a large green banner. The main content area is a colorful, abstract pattern of red, purple, and yellow. A green arrow points from a text box to the address bar. A white box with a black border contains the text '1. Log in to: <http://www.tellmoreeducation.com/>'. Another white box with a black border contains the text '2. Enter student ID. 3. Enter student ID.' and an arrow points to the login fields. A third white box with a black border contains the text '4. Click to' and an arrow points to the 'sign in' button.
