Mr. Patrick Finnemore, Director of Facilities, presented the 2014-2015 Capital Projects Plan submitted by Mr. John Setter, Project Architect; Mrs. Cindy Gossett, Director of Food Services; Mr. Finnemore; and Dr. Mangi, excerpts follow:

“Board Policy 3711 requires that a major maintenance project list be developed annually by the Department of Facilities Services and that the list be reviewed by the Planning, Facilities, and Equipment Committee and taken to the School Board for action no later than April 1st of each year. This report includes the proposed major maintenance and energy savings projects plans for 2014-15 as well as a proposed project in the Central Kitchen.

The overall major maintenance plan is updated on a regular basis with annual evaluations of each project on the list by the Facilities Department. The plan includes “place marks” for annual-type projects, which include roof, exterior envelop, asphalt/concrete, and flooring replacements. Each project is prioritized by the Facilities Department based, in-part, on the priority system detailed in the Board Policy. Generally, this report also includes the capacity projects as required by Board Policy 7210; however there are no capacity projects proposed for the coming year.

The major maintenance budget is \$2,000,000; however, \$500,000 will be used to continue to pay off the loan used to fund the Reuther masonry restoration project, and an additional \$500,000 will be used to fund security improvements at all of our facilities. The three-year security project and related funding was approved by the Board at the June 25, 2013 meeting. This leaves \$1,000,000 for major maintenance projects this year.

This report was reviewed by the Planning, Facilities, and Equipment Committee at the February 11, 2014 meeting, and the Committee unanimously recommended that it be forwarded on to the full Board for consideration.

Kenosha resident students who are enrolled full time in a private school are still limited to part time KUSD enrollment at grades 9-12. This option was not changed by the recent legislation. Mr. Steven Knecht, Coordinator of Athletics/Physical Education presented the Hockey Cooperative Team Expansion submitted by Mr. Steven Knecht, Dr. Savaglio-Jarvis, and Dr. Mangi, excerpts follow:

“In the 2001-02 school year, Kenosha Unified School District began sponsoring hockey as a co-op team. The original members of the co-op team were Tremper High School and Bradford High School. Since then Indian Trail High School was added to the co-op. From the existence of the program, the team has been recognized as the Kenosha Thunder.

During the 2011-12 school year, interest in expanding the co-op was explored as the number of participants had dipped; and citizens from the neighboring communities of Wilmot and Westosha expressed interest in joining the Kenosha Thunder. However, there are date requirements for applications into the co-op team agreements; and timing proved to be an obstacle. Additionally, specific information surrounding the agreement in a co-op needed to be ascertained. As a result, students from Wilmot and Westosha did not join the co-op in 2011-12.

In February 2013 Wilmot Union High School moved forward with approval from their school board and, with the approval of the Kenosha Unified School District Board of Education, became a member of the Kenosha Hockey Co-op in the 2013-14 school year. During the 2012-13 standing committee meetings and school board meetings, it was stated that in 2014 Westosha Central High School would most likely be ready to move forward and ask to be part of the Kenosha Hockey Co-op; and they have done so. Appropriate information has been shared (financials, code of conduct, etc.), and Westosha Central School District has approved Westosha Central High School to co-op in hockey with Kenosha Unified School District and the Kenosha Thunder hockey team. Now that this process has been approved by the Westosha Centra
