

Consent-Approve item XI-C – Summary of Receipts, Wire Transfers, and Check

curriculum materials was removed from the Teaching and Learning budget in the 2011-12 budget. Appendix D outlines the purchase of textbooks and curriculum materials from the 1999-2000 school year through the 2014-15 school year.

In spring 2013 the International Curriculum Management Audit Center was retained to complete a comprehensive curriculum audit. Finding 2.1 of this audit identified a lack of a planning process and comprehensive management plan to provide coordinated direction of the design, delivery, and evaluation of the curriculum. The auditors responded to the findings with eight recommendations for how to address the problems that were pinpointed in the audit. Establishing a seven-year curriculum review cycle is one specific item recorded in Recommendation 5.

School board Policy 6300 has been updated to include a proposed curriculum development cycle. This cycle provides for a comprehensive evaluation of course content, an inclusive development process, a thoughtful implementation, revision based on data, and time for program effectiveness to be realized. The curriculum development cycle will adhere to a five-phase process.

School Board Policy 6610 includes the proposed seven-year curriculum review cycle and indicates where each curriculum area falls within the cycle. It is important to note that all content areas responded to the curriculum audit and began work in the 2013-14 school year. In some content areas (mathematics, for example), multiple phases were accomplished during that year. In other content areas, the work of a single phase was spread over multiple years. This is indicated in the District Curriculum Work 2013-16 table.

At its November 10, 2015, meeting, the joint Personnel/Policy and Curriculum/Program Committee voted to forward proposed revisions to Policies 6300 and 6610 to the School Board for consideration. Administration recommends that the school board approve Policy 6300 to include a systematic curriculum review cycle as a first reading on November 24, 2015, and a second reading on December 15, 2015. Administration recommends that the school board approve Policy 6610 to include a seven-year curriculum review cycle with an annual budget assumption to support needed purchases as outlined in Phase 3 of the cycle as a first reading on November 24, 2015, and a second reading on December 15, 2015.”
