mission, vision, core values and strategic goals. These five goals will drive the work of the district. The board of education approved revised Policy 6100 on Sept. 22, 2015. Since that time, strategic goal teams and reactor groups have met to develop scorecards containing objectives, initiatives, measures and an implementation plan that support the strategic goals. These scorecards will guide the work of the district for the next three to five years.

Recently, it was discovered that the updates made to Policy 6100 in 2017 included the addition of the district's new core values; however, Policy 6120 already existed to outline core goals. To align all policies and reduce replication, it is recommended that Policy 6120 be eliminated and the district's mission, vision, core values and strategic goals be outlined in Policy 6100 going forward.

Policy 6100 is presented this evening for affirmation by the board of education.

Administration recommends that the board approve revised Policy 6100 - Mission, Vision, Core Values and Strategic Goals and elimination of Policy 6120 – Core Values as a second reading on August 28, 2018.”

Ms. Stevens moved to approve the revised consent agenda. Mr. Battle seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented Policy 1120 – Parent/Guardian/Caregiver Involvement presented by Ms. Patricia Demos, Community School Relations Coordinator; Mrs. Tanya Ruder, Chief Communications Officer; and Dr. Savaglio-Jarvis, excerpts follow:

“Policy 1120 was last updated in 2006 to align with the No Child Left Behind Act. It has been updated to align with the requirements and language outlined in the now active Every Student Succeeds Act (ESSA). In addition, language has been cleaned up to better define what needs to be done and who is responsible for making things happen. Each of these items is outlined in the family engagement portion of ESSA and aligns with the Title I requirements as defined in the act. The changes to the policy are aligning the outdated language to the work that is already being done by the district's Title I and Community School Relations offices.

Administration recommends that the board approve revised Policy 1120 – Parent/Guardian/Caregiver Involvement as a first reading on August 28, 2018.”
