

2021-2022

Effective July 1, 2021, through June 30, 2022

Overview

KUSD will continue to implement layered mitigation strategies, which will include:

- Practicing physical distancing of 3 feet or more to the greatest extent possible
- Encouraging regular hand-washing for 20 seconds or more
- Providing hand sanitizer and encouraging individuals to use it when entering/exiting classrooms and shared spaces (e.g. gym, library, office, etc.)
- Covering coughs and sneezes
- Cleaning and disinfecting frequently touched surfaces
- Masks will be required for all students, staff and visitors when in KUSD buildings and/or riding district transportation until Sunday, March 27.

On March 28 masks will become highly recommended but optional except when riding district transportation or participating as a staff or student, in the Head Start program.

- Masks should:
 - Cover the nose and mouth and fit snugly against the side of the face
 - Should be a solid piece of material without slits, or punctures; mesh masks will not be allowed
 - Student athletes and fine arts performers (i.e. choir and theater) will have the option of whether or not they wear a mask while competing, physically active or performing only. Students and staff not competing, physically active or performing as well as visitors/spectators, must wear masks.
